Hello?!

Hellooo...?

ガチャ

...

It must be something terribly important...

For you to come banging on my door so early...

Your alarm has the right to rest on Sundays. At least I think so.

...

It's so nice of you to wake me up before my alarm does...

...

Hello...

This had...

パ

...been dropped in front of your door.

Dropped?

With a ribbon on it.

It must be a gift.

From whom could it be?

Perhaps...

...a rather moody invisible man left it here.

...

The other day...

A gift arrived for me. Do you remember?

Look...

These orange heels.

You said it was probably from...

...an invisible man.

And in his stead...

...you made me try them on.

I can't hear any ticking...

So it's not a bomb...

Ouch...

Don't you want to open it?

Hot...

Whoops!

You were saying?

Your tea...

Open it, it's probably a bomb.

You said he was **moody**, huh...

Woah!

A suit...

Yes, it is a suit.

"Your wardrobe is chock full of uniforms"...

...is probably what he thought.

Of course.

You're putting it on?

My, oh, my...

ガサ

Bizarre...

...it fits me perfectly.

The strangest thing is that...

...

You...

You're not going to ask me how I think you look?

What do you think?

You're oh-so-handsome.

That invisible man...

I mean, it's probably what he'd say...

Eeeeek!

You got the wrong person!

Incredible!

I wanna see the invisible man too!
